Re: Consent Legislation for HAN SR 12-17.46/26.79 Resurfacing, PID 87136

Dear Mayor Ebersole:

Enclosed are two sets of preliminary legislation for the project referenced above, which is scheduled for construction in the summer of 2016. This project proposes to resurface with asphalt on:

- SR 12 from just east of CR 236 to the east corporation limits of the Village of Arcadia
- SR 12 from the west corporation limits of the City of Fostoria to the Seneca County line

I have enclosed maps showing the project location.

The enclosed legislation verifies the Village's consent to proceed with the project. ODOT will bear financial responsibility for all of the costs associated with the construction of this project. The village will not owe ODOT money for completion of these improvements. However, if necessary, the village will be responsible for any manhole adjustments within the village. The project is currently scheduled for sale in June of 2016.

Please ask your village council to enact this legislation and return it to me **by February 26, 2016**. All places on the legislation that require your attention have been shaded grey. Note that you must place the village's seal on both sets of legislation. If the village does not have a seal, include a letter stating this. Please return **both original signed sets of legislation** to me for further processing. You will receive one completed original of the legislation when it has been approved by the Director of Transportation.

Should you have any questions, you can contact me by email at Charles.Schreck@dot.ohio.gov or by phone at (419) 999-6856.
